

## DESCRIPTION

Bicycle Fun is a short-distance family-friendly route, 16 km in length. The starting point is at Marielyst town square.

Starting at Marielyst you can visit, for example, the Stovby Glassworks, a working glassworks just beside the Stouby Mill.

The village of Væggerløse has a lovely church, a large burial mound and a grocery store. Remember to enjoy the view from Væggerløse Hill. From the hill you can see over Guldborg Sound and the countryside around Væggerløse.

The halfway mark is Marrebæk. Visit the museum at the Bøtø Nor Pumping Station, where there is also a toilet and picnic shelter.

There are several options for activities on the final leg of the journey, for example Marielyst Go-Kart and paintball, or Lupinparken with an exercise area and nature playground.

Back in Marielyst, finish your tour with a refreshing dip at one of Denmark's best beaches.

## INFO

The bicycle route is signposted with blue signs - you just need to follow the panorama route number 417.

Other bicycle routes you may encounter on the way are Coast to Coast (418), Southernmost Denmark (South Stone), Explore Naturlandet (N), and the Danish national bicycle routes The Baltic Sea Route (8) and Copenhagen-Berlin (9).
